Brain Injury Advocacy Day is an exciting opportunity for you to meet with your legislators or their staff to advocate for needs of brain injury survivors.

At the 5th Annual Brain Injury Advocacy Day, the Brain Injury Association of Massachusetts (BIA-MA) will be honoring Brain Injury Commission Co-Chairs Senate President Emerita Harriette Chandler and Representative Kimberly Ferguson as well as Commission Members Senator Dean Tran and Representative Gerard Cassidy.

Attendees will then have the opportunity to walk the halls of the State House and visit their legislators’ offices, share their personal story, and speak about brain injury.
