BIA-MA Hosts Annual Golf Classic on June 17th at Mount Pleasant Country Club
Tee off for Brain Injury Awareness

Register your foursome to play on an 18-hole championship parkland-style golf course, or register as an individual to play on a green that caters to all skill levels. Golfers will be treated to lunch, an awards dinner in the clubhouse dining room, and an opportunity to win multiple golf prizes. Silent and live auctions feature tickets to sporting events and New England sports-themed memorabilia.

“The BIA-MA is an organization that provides needed information and resources to survivors of brain injury and their families, and I’m happy to partner with the organization for the Annual Golf Classic to help raise money and awareness on behalf of brain injury,” says WBZ 98.5 FM ‘Voice of the Bruins’ Dave Goucher. “I’ve helped emcee the auction for the past few years and I look forward to helping the BIA-MA help the next survivor.”
